

# NIM Paper Committee Report

## 29 Aug 2008

- Raja appointed H. Meyer, J. Paley, and C. Rosenfeld to this committee.
- The committee held its initial meeting on Tue 26 Aug.
- It produced a list of tasks that need attention, no doubt incomplete, and it assigned these tasks to various parties (thank you Jon).
- The committee decided that it would meet briefly almost every week to review progress.
